History of Mariachi

The Origin...

Mariachi is not simply an invention of one person but is a product of Mestizo culture, religion and - music which has evolved flom as early as the 1500,s. With the arrival of the Spanish conquest there also came Christian doctrine as its religious music, which spawned a combination of liturgical doctrine and native music. His essentially was the birth of musica meztiza..
With all its riches, it is no wonder that mariachi music has grown to such enormous popularity throughout North America. Today, in the United States, Mariachi exists as a common folkloric music form. It will continue tore present Mexico's rich cultural heritage. Mexicans-Americans and people flom non Hispanic origin as well, will continue to nestle and nurture the Mariachi through its course and evolution.....
